## Messing Primary School Parent Survey October 2017

Thank you for adding a comment to the survey. These responses are below.

- Our son loves coming to Messing School. We feel very lucky that he attends such a small, caring school. The standard of teaching is excellent and keeps parents well informed and involves us in all different areas of learning. A big thank you to all the teachers for their hard work and time spent with our son.
- My son has come on leaps and bounds educationally since starting Messing Primary. He is treated as an individual and the school are approachable and helpful when I have communicated with them.
- My child has made good progress at the school and we are pleased at the levels he has achieved. The staff are friendly and approachable. The school environment supports the children in all aspects of their education. We will be sad when he has to leave next year. His time at the school has been such a positive experience.
- My children are happy and thriving at the school. They always come out enthusiastic about their school day.
- More info to integrate new parents (reception). It's new to us too.
- Messing school meets the needs of individual children extremely well. All staff have a really good understanding of each child and their interaction with the children is so kind and caring.
- We are thrilled with the stimulating learning environment at Messing School and delighted that our son has settled in so well to Yr 1 and yes actually ENJOYS coming to school!
- Messing Primary school has helped both our children enormously. Our daughter passed the 11+ exam with the excellent help of the teachers. Our son is learning fast and grows every day with new challenges. Messing Primary school was the best place for our children. The teachers are so helpful, approachable and friendly.

We always welcome and value your feedback and this survey will help to inform our school improvement.

Yours sincerely

Jackie Halliday  
Headteacher
