Messing Primary School Parent Survey November 2019

Thank you very much for adding responses to the survey.

I am very happy with this school. They help my son in every way they can. All the staff are lovely and very welcoming, kind hearted people. They also help the parents in every way they can, they are easy to approach to talk to about anything. I highly recommend this school to any parent or child. (Ms Torrie)

Messing has a very caring and inclusive approach to children and their families. The Headteacher knows each child's needs and takes a very keen interest in all aspects of their wellbeing and learning. (Mrs Cooper)

Messing Primary is a friendly safe school. The staff are approachable and caring. My son really enjoys coming to school every day. (Mrs Brannan)

Messing Primary is a fantastic school that my sons thoroughly enjoy attending. The wonderful staff provide a really holistic approach to the children's education and wellbeing which are equally prioritised. The school community is friendly and supportive. We are very lucky to have Messing as our sons' foundation for life.

My child has settled beautifully into the Reception class and this was helped by play sessions that we were invited to attend in June/July. Each child also received a letter in the summer holidays reassuring them about starting school, this was a lovely touch and made Mummy feel better too!

We are so pleased with the school. Each time we have had an issue the school have dealt with it effectively and efficiently. Our child is offered a huge variety of activities for such a small local school, the options are overwhelming. (Mrs Hicks)

We are so pleased that our daughter has settled in so well. We feel included in her journey and it is nice to know what she is doing during her school day –thank you. (Mrs Todman)

Our daughter started this school in September 30th this year and I feel she is doing exceptionally well here and has progressed immensely. I am very happy we have chosen this school.

The school has been extremely supportive of my children and my family. I could not recommend enough! (Mrs White)

My daughter seems happy at school and is progressing well. This school is approachable and deals with issues effectively.

My son has come a long way since starting at Messing, as when he started he could only write a J and now over a year later he can spell lots of different words, his reading is amazing and is getting on well with his maths. His confidence is getting better as well.

Messing Primary School Parent Survey November 2019

We have been so pleased with our decision to send our daughter to Messing. It is such a friendly school and she was made to feel so welcome. She made some close friends really quickly. Despite being quite an anxious soul, she really settled very quickly and Miss Snodgrass, Miss Andrews and Miss Birch have been absolutely wonderful with her. Her confidence has grown so much.

I am sure that our daughter will continue to blossom throughout her first year at Messing.
(Mrs Jacobs)

Our son, like his sister before him loves Messing Primary School. The school helps out with children both flying and struggling. The teachers obviously care about every child in their class.

We feel our daughter has settled well and are happy so far with how she is getting on. She has only done one term so far, but we see a bright and happy future for her at the school. We have had no concerns and feel that we are kept up to date with what she is doing whilst at school.

Messing Primary School is a school our child feels happy with and that is of highest importance. The school has always tried to accommodate any requests we have had and for that we are extremely grateful. Our only concerns would be Littering and an absence of re-cycling and re-cycling facilities
We would appreciate more specifics of our child's learning of the curriculum and any gaps we can support (over and above reading, homework and an online portals)
