

Class 2 Performing Arts Show.

Thursday 2nd April 9.00

A date for your diary! We are organising our performances differently this year and for the future as space is at a premium.

Our reception and KS1 (Year 1 and 2) classes will continue to delight us with their nativity themed performances at the end of the autumn term.

At the end of the spring term Class 2 (Year 3 and 4) will be performing in their very own performing arts show featuring music, performance poetry and dance.

Class 3 (Year 5 and 6) will be impressing us with their end of year play at the end of the summer term. Class assemblies and sessions in class will continue.

Bikeability

Very well done to the year 5 and 6 children who took part in the bikeability programme. They showed a great growth mind-set throughout. They all now have a greater understanding of how to be safe on the roads on their bikes and were all awarded Level 2 certificates. Congratulations.

Spanish

The children are enjoying their Spanish language learning across the school and joining in with spoken language with enthusiasm and a remarkable recall of phrases and vocabulary. It is estimated that there are over 400 million native Spanish speakers across the world in more than 20 countries

Below are some of the phrases they have learnt for you try out with them.

How are you? **¿Cómo estás?**

Very well thank you. **Muy bien gracias**

What is your name? **¿Cómo te llamas?**

My name is.....**Me llamo...**

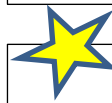

How old are you? **¿Cuántos años tienes?**

Internet Safety

Yolo which stands for 'you only live once' is an anonymous question and answer app that is used within Snapchat. Users can post anonymous questions and comments on a Snapchat story and also attach an image. Once you have linked the app to a Snapchat account, it prompts you to 'get anonymous messages' and create a question to prompt others to 'Send me honest messages'. Responses to questions are only seen by the person who asked the question rather than other users on the platform. The app has changed its age rating to 18 and over and like other anonymous apps before it, this feature on Yolo could encourage users to send malicious messages or create incidents of cyberbullying which parents should be aware of.
