

10th March 2020

Dear Parents/Carers

I would like to thank you all for your understanding and sense of calm regarding the Coronavirus.

There are no cases at Messing Primary throughout all students and staff. This should assure us all that it is perfectly safe to be attending school as usual.

I would encourage all staff and pupils to follow advice around washing hands regularly and the other advice given for stopping potential spread, and these details can be found on the links below

[Department of Health and Social Care and Public Health England](#)

<https://publichealthmatters.blog.gov.uk/2020/01/23/wuhan-novel-coronavirus-what-you-need-to-know/>

<https://www.nhs.uk/conditions/coronavirus-covid-19/>

I am in daily contact with Public Health England and will ensure that we all follow the advice and guidance they give. Our Health and safety consultant also sends regular updates as does the Local Authority.

Please make sure that your contact details are up to date in the office.

I would like to thank you in advance for trusting the school to make the right decisions for the good of all students and staff.

Yours sincerely

Mrs Jackie Halliday
Headteacher
