

Updated Isolation guidance

Changes to the self-isolation period for those who test positive for COVID-19. From Monday 17 January, people who are self-isolating with COVID-19 will have the option to **reduce their isolation period after 5 full days if they test negative with a lateral flow device (LFD) test on both day 5 and day 6 and they do not have a temperature.** For example, if they test negative on the morning of day 5 and the morning of day 6, they can return to their education or childcare setting immediately on day 6.

The first test must be taken no earlier than day 5 of the self-isolation period, and the second must be taken the following day.

All test results should be [reported to NHS Test and Trace](#). If the result of either of their tests is positive, they should continue to self-isolate until they get negative results from two LFD tests on consecutive days or until they have completed 10 full days of self-isolation, whichever is earliest. Anyone who is unable to take LFD tests or anyone who continues to have a temperature will need to complete the full 10 day period of self-isolation.

Further [information on self-isolation for those with COVID-19](#) is available.

Sports Clubs

We are pleased to be able to continue to offer 2 sports clubs to each year group this term. At the moment the school is able to subsidise these through the Sport Premium fund so they are at no cost to you. As some of the clubs are undersubscribed, please have chat with your child to see if they would like to attend This is an excellent opportunity for them to experience a range of sports and is a very effective way of supporting healthy minds and bodies.

Owls: Performing arts/dance

Football

Kingfisher: Lacrosse

Tag rugby

Robins /Wrens: Gymnastics

Football

Please contact us if your child would like to attend but there are challenges preventing this. Conversations will be in confidence. We welcome your feedback.
