

Comic relief

We loved the funky hairstyles! Well done everyone. The children enjoyed the day which included quizzes and talent shows.

Congratulations! We raised £93.60

Share and learn

It was a real pleasure having you join us in school for share and learn. It's been a long time coming! The children really enjoyed sharing their books and talking about their learning.

Governors' Report

At our Local Governing Body meeting on 8th March, we welcomed Andrew Harding and Sarah Spalding as new community governors. We received a full report from Mrs Halliday including information about the progress of every child in the school. We discussed the process for recruiting a new head teacher and how we will support staff through the transition period. At the time of writing, the post has been advertised and we are waiting to see what applications we will have. We also looked at the most recent financial management report to make sure the school's finances are on a sure footing and we reviewed a number of policies, including Admissions, Whistleblowing and Equality & Diversity. We also talked about governor training and made sure that all new governors are booked onto their induction course.

You can contact the governors through the school office if you would like to speak to us about any queries or concerns you may have.
