

Young Voices Choir

We had a brilliant day with the school choir at the O2 with Young Voices. This is such a magical event with 7000 children singing in unison and something the children will no doubt remember for their whole lives. We are so proud of them. They have worked really hard to learn all the songs and were so well behaved throughout the day. They also performed brilliantly for grandparents at the cream tea organised by the PTFA. Huge thanks to Mrs Lewis for the hours of her own time spent teaching the songs, organising the day and trouble- shooting queries so that the event ran extremely smoothly.

Sun safety

Now that the temperature is warming up (we hope!) please make sure you send a water bottle to school with your child every day. They may also need to start bringing a sun hat. Equally if it's chilly they will still need a coat! Ideally sun cream should be applied before they come into school, but children can also apply this themselves. Please let the teacher know if they have brought sun cream into school.

New Headteacher

It was a real pleasure to welcome Miss Charlotte Brown into the school for a couple of days this week. The children and staff had the chance to spend some time with her and we made a good start with working together to share important information for a smooth handover. Miss Brown will also be back with us in July for a couple of days before starting as the new headteacher in September.

Your ideas are needed!

This is the time of year when we would like you to share any ideas you have for the coming year which could form part of the School Development Plan.

This may be ideas for parent partnership sessions in class next year, the learning curriculum, the school environment, visits and visitors, attendance, fundraising, events etc.

We are also inviting governors, pupils and all staff to submit their suggestions, great or small, for the school's development and further improvement.

All your feedback will be given serious consideration and may form part of the plan for 2022/23 or even further into the future.

Please find attached a form on which you can add your proposals and hand in to the office

Thank you in advance for your time completing this.

We look forward to hearing from you.

Relationship and Sex Education

Next half term teachers across the school will be covering the 'Changing me' element of our jigsaw PSHE programme. (You can see this on the school website -the PSHE and RSE policy has the map with the key areas covered for each year group.) This will include aspects of relationship and sex education. As explained in our policy, teachers will be writing to you to give you information about the content for your child's year group and inviting any questions.

Visit to New Hall School Farm.

Children in Wrens and Robins enjoyed a fun afternoon at New Hall School Farm learning about the animals and how to look after them as part of their topic work. They had the opportunity to feed the goats and sheep, stroke the ponies and hold the chicks. They also prepared enrichment food for the rabbits and chicks.
