

Sports morning /Summer Fair.

Friday 1st July.

The PTFA committee and a group of parents are working very hard behind the scenes organising this year's summer fair. This includes contacting local businesses for raffle prizes, writing leaflets/letters and flyers, organising an itinerary for the day, planning the layout of events and stalls, buying gifts and refreshments, liaising with the local public services and organising volunteers and much more...

Wow! All this time is given voluntarily to support the children at the school. Thank you very much.

How can you help?

We still need more helpers for stalls and setting up /packing away.

Thank you very much for your generous donations which are gratefully received.

Please contact the school or a member of the committee (Nikki, Emma, Becky, Katherine) to find out how you can help.

We are looking forward to a fun filled day!

Diary dates

21/6/22	Year 6 cyber safety talk
22/6/22	KS2 Consortium Sports at the Garrison

21/7/22	Yr 6 leavers assembly 9.15
21/7/22	Party day.

22/7 22 Last Day of Summer Term

Car park safety

For the safety of our children:

- You must drop off **in the drop off zone only** please.
- Children should exit the car on the driver side: if this is not possible, for their safety you should see them out of the car safely.
- Please keep your child and younger siblings with you at all times once they have been brought to your car at pick up time.

Thank you for your patience and support with keeping all the children safe.

SATS and end of year assessments.

The month of May is assessment time in schools. Well done to all the children who took SATs tests last month. They showed excellent growth mind-sets when facing this challenge.

The Year 2 SATs are used to inform the end of year teacher assessment while the Year 6 SATS tests and teacher assessments are reported to parents.

Children in Year 1 also had their phonics check. Information about these will be included in your child's report which comes out to parents on 7th July.

Governors' Report Summer Term 2022

At our Local Governing Body meeting on 14th June, we reviewed the school's financial position and set the budget for the coming year. The governors are very grateful to Mrs Gooday for all the extra work she has taken on in the last few months looking after the school's finances. We also received a report on the school premises, looked at the progress made by each year group and discussed arrangements for the handover from Mrs Halliday to Ms Brown.

The governors would like you all to know what a great head teacher we think Mrs Halliday has been for our school. We have all enjoyed working with her and she has made our job as governors very easy by always providing us with so much information. We wish her well for her retirement.

We have been so proud of our pupils and how they have coped with all the changes of the past two years. We wish our Year 6s all the best as they move on and we look forward to welcoming our new children in September. We hope you all enjoy the rest of the summer term and have a lovely summer break.

You can contact the governors through the school office if you would like to speak to us about any queries or concerns you may have.

Anne-Marie Renshaw
