

School Uniform

Thank you very much for supporting with the school uniform. The children look very smart and ready to learn when they arrive at school in the morning.

If your child has a specific reason why they are unable to follow the uniform policy then please let us know –any conversation will be in confidence. There may be financial or medical reasons and we are always happy to offer support/advice where we can.

Winter	Summer(optional)	PE
Grey trousers/skirt or pinafore. White shirt/blouse (not polo) Red cardigan/v neck jumper (<i>These can be ordered from the school with a school logo - we are also happy for children to wear one from the supermarket without the school logo</i>) School tie. (Elasticated in KS1) Grey, red or white tights or socks.	Red gingham dress Grey shorts	Red polo shirt Black shorts Black joggers(winter) White socks
Black shoes (not trainers please)  This will then avoid the designer trainer competition between children and hopefully save your purses! They also are smarter for school. Flat heeled boots may be worn in winter when it is very cold.	Black/white/red sandals These must secure the foot. Some possible examples below. 	
Reception children have the choice of a white polo shirt or a white blouse/shirt and whether to wear a tie or not.		

KS1 will have ties on elastic for ease of use and KS2 children will have ties which they will tie themselves.

Should parents have any financial difficulties with purchasing the uniform, please ask to see the Headteacher. We will do our best to support parents and any queries will be totally confidential. There is also the potential to have second hand items, as we currently have a small stock in place please just ask the office for availability.

For PE, children should bring their PE kit in a draw-string bag to hang on a peg (due to limited space). This kit should be in school every day. Long hair should always be tied back for safety reasons.

Children are allowed to wear watches, but we do not accept responsibility for loss or damage. Jewellery should not be worn as it can be a source of danger, but if your child does have pierced ears, only small studs should be worn. Jewellery, including earrings, must be removed for PE and games lessons. It is better if no jewellery is worn because it is safer and cannot be lost. Nail varnish, make-up and body art are not appropriate in school.

We do not permit pupils to have mobile telephones or any other electronic gadgets in school
