School Closures Information

The procedure for informing parents/carers of school closures is via the Essex County Council website.

Parents can see the full list of closures on the **Essex County Council** website. The page can be accessed using the below link and path:

[Emergency school closures - Essex County Council](#)

Visit Essex County Council's homepage at www.essex.gov.uk, and search for Emergency School Closures or click in to the School and learning area, click Schools click Emergency Closures.

The Emergency Closures page will update as and when notifications are received, therefore it is recommended to continue to check or refresh the page.

We will also send a message via the Classlist APP.

If you are unable to access the internet at home or this is intermittent, please let the office staff know and we will arrange for you to be informed by alternative means.

Please ensure that the office is informed of any changes to your contact details so that we can keep you informed.

Hopefully we will not need to use this information.
